### NEXT MEETING: November 16th — Stage Competition

Our next meeting will be the annual stage competition. Will **Komical Kenny** win again? Or will he lose his title to some new blood? The only way to know is to come out and watch!!!

Please **bring a guest**. We love having **non-magicians** at these events. It really helps the performers to know there is someone in the room that doesn't know how their tricks work!

If you would like to compete, Please contact:

**Steven Nakauchi - 714-839-2459 - smagician417@aol.com**

### LAST MEETING: Halloween Magic

Thank you to all who performed. If you stayed home, you really missed out. The show was far more entertaining than the Presidential Debate!

Unlike the Presidential Debate, we actually got something done! **We had an open discussion on ways to improve the club**. I talked about the feedback I've gotten so far from the **survey**. Which, by the way, only three people filled it out. Please submit it before the next meeting.

We discussed possible officers for next year. Egbok nominated Phil Ureno for president. If you want a say in who gets to run, I highly recommend you show up and express your thoughts.

The big docket item discussed was **lack of participation** from members. I closed the discussion by saying we were preaching to the choir. Most everyone that showed up are the ones who regularly participate. **This goes beyond volunteering** to be a board member or performing. I think the survey is a perfect example of how we are trying to improve the club, but members are NOT participating. Some of you have still not paid dues. We even heard there are **some who have not paid in years!** This is OUR club and we make it whatever WE want it to be.

I can promise the board will be more diligent about getting members to participate and collecting dues.
